MENTALLY CHALLENGED (Adults)

Assisted living

*Mental deficiency depends on
the IQ level of the person.*

MENTALLY CHALLENGED (Adults)-

Is a program meant to provide dignity to teenage and adult mentally challenged children. This is to ensure that we provide a stable environment to continue the journey of life without over use of drugs.

This home will be to provide humane environment around biodiversity.

This home will also be a treatment center to get the best of Indian and western knowledge systems (food, yoga & medications).

It is expected that parents might choose to stay with their children like assisted living environments.

Initial space for 200.

We expect to cater to
200-250
such adults.
